bath. Both bathrooms have underfloor heating. The guest bedroom is opposite and also has fitted wardrobes and a large window so there's plenty of natural light. Both bedrooms have air conditioning.

Upstairs you have your own little piece of paradise with a circa 50m2 roof terrace with stunning views across the whole resort and across to the sea in the distance. A real sun trap, which sun worshippers will just adore!

The property also has a private garage parking space as well as a storage room.

Outside you have lush manicured gardens and also a large communal swimming pool (heated at various points of the year).

This a rare opportunity to buy in one of the best locations in this fantastic resort, early viewing is highly recommended.
